RADIO IS ALIVE AND WELL: ZPPR Productions, a New York-based radio repertory company, is presenting a gripping four-part series, Prince and Warlord: Tales of Vlad Tepes Drakul, on WBAI-FM 99.5 in NYC. The first program aired on Feb. 10th and repeated on Feb 15th. The second was presented in March and the last two episodes will be presented in April and May. The series was written by Tamora Pierce...HILDEGARDE marked her 80th birthday with a Carnegie Hall concert on Feb. 1st. She is still a vital singer. One event at the concert was a skit from her "Raleigh Room" radio show.

L.A. "SPEED" RIGGS, 78, is still going strong in Rocky Mount, N.C. According to a recent article in the Atlantic Journal, Riggs still smokes 1 1/2 packs of Lucky Strikes a day. Riggs started auctioneering in 1926. He could do 595 words a minute when he was 17. In 1936 he became the "voice" of Your Hit Parade. Today he plans to start an auctioneering school.

WBAI (Golden Age of Radio) now on Saturdays from 12:30-2:00 pm. On March 10th there was a benefit show with Margaret Whiting as special guest.

Owens Pomeroy mentions that it has been published for 14 years and is a copyrighted newsletter masthead. It

has nothing to do with the more recent "On the Air" put out by the Vintage Broadcast Society of NYC. The GRB recently opened a permanent exhibit of old-time radio memorabilia at the Museum of Industry. Inducted into their Radio Hall of Fame were local personalities Elise Kemper, Tom O'Connor and Bailey Goss.

A NEW PUBLICATION: Many thanks for those who purchased my project on Circulating Radio Shows (\$17.50). The 44-page booklet contains 2200 series with over 50,000 shows listed. Flyer describing this was sent last issue. I still have some left if anyone wants to purchase one. Corrections and additions, expected with a work such as this, are coming in, especially from Ray Stanich, who has done more work with logs than anyone. I will offer a supplement for a reasonable cost when enough information is gathered. It will also contain the beginning of a longer project—a log of ALL the dates of circulating shows, not just the number of shows. I am starting with those series with about 25 shows or less. Many dates are listed already in the original project. I need help. If you have a substantial collection and/or originated programs, please send me your complete catalog.

Many thanks to the RHAC for publicizing my log.

LOGS: Two new logs from RAY STANICH, 173 Columbia Hts, Brooklyn, NY 11201: MERCURY SUMMER THEATER (6/7/46-9/13/46) and ORSON WELLES ALMANAC (1/26/44-7/19/44). Send him a SASE...PHIL EVANS, Box 136, Bakersfield, CA 93302 has compiled a complete chronological listing of all available ABBOTT AND COSTELLO (152) and AMOS & ANDY starting with their 1/2 hour shows for Rinso through their last show (171). There are still undated shows and some wrong dates to resolve. Anyone with expertise in these two series should write to Phil or myself. These lists will be made available when complete.

LET THE BUYER BEWARE: It's been many years since I last had this section. On June of 1985 I received a lengthy letter from Bill Laidlaw about his publication "The Shadow-Doc Savage Quest." I advertised it in HA and at least one of my readers wrote him with a check for a subscription in August. To date, after many letters there has been no response. The check has been cashed. I wrote to Bill on Feb. 12th asking what the problem was. To date I have had no response. The last address I had for Bill was 526 Printz Rd, Arroyo Grande, CA 93420. Does anyone have any information.
